## PROTECT OUR GREENS

### A polite notice to all

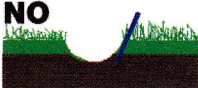

**Too many golfers are leaving their mark on the game!**

*A pitch mark repaired within 10 minutes recovers immediately.*

*A pitch mark left un-repaired takes at least 2 weeks to recover.*

**NO**

**Wrong Way**

- Do not replace the loose piece of turf taken out by the ball. It will die and delay the healing process.
- Do not pry up the centre of the depression with the repair tool as it exposes the soil and will delay the healing process.
- Do not insert repair tool and twist it. This only breaks more turf loose.

**YES**

**Right Way**

- Discard the loose piece of turf taken out by the ball.
- Insert repair tool just outside the back of the ball mark.
- Pull the turf toward the centre of the hole and repeat this action around the hole.
- Gently tap the repaired area with your putter.
- This action stretches undamaged turf over the ball mark, providing instant recovery.

Please show respect for the course and to your fellow golfers and help us to maintain high quality putting surfaces.

**Thank you!**

## PLEASE AVOID SLOW PLAY AT ALL TIMES

### WARNING

Public footpaths run along the 15th fairway, cross the 3rd fairway and pass behind the 13th green.

A cycle/footpath crosses the 1st and 15th fairway.

Golfers must ensure that they only play their ball when safe to do so, as they are solely liable for any damage or injury they may cause.

In the interests of safety please do not attempt to retrieve lost balls from water hazards.

150 Yard markers - The green and white marker posts on the course indicate 150 yards to the centre of the green.
